

# NAKED GIRLS SMOKING WEED

By Rob Griffin  
(Goliath)

What more of an excuse do you need to curl up with a good book than this? Take the best babes from the 420 Girls website, throw in some fun little factoids about everyone's favorite weed (can't decide whose pot-related quote we liked better, Bill Hicks or Richard Nixon), put it all together and you have one big winner as far as we're concerned. Editor Griffin gets extra points because among the 420 Girls included you'll find Penthouse Pets Celeste Star, Aimee Sweet, Melissa Jacobs, and cover girl Charlie Laine—a smoking bunch of gals if there ever was one.—E.D.
